Healing the World - One ^{Pet} ~~Person~~ at a Time

Dear Chaga,

My name is Zoe Saporta. I am a 16-year old happy little girl but started getting that tired run down feeling and my eyes started getting bad. My skin was dry and itchy.

My Mom and Dad started giving me a few drops of Chaga in December and after a few weeks,

I gained more Energy, and my Mom thinks my eyes are better. I know I feel better because

I love to dance and play.

I love my tummy to be rubbed and with my healthy skin that is no longer dry and itchy.

I wanted to say *arf arf* – in puppy that is Thank you Chaga!

Zoe
