National Medical Services Warranty For Member Net-Cost Features

Fax Provider Coded Invoices For Rebates 1-888-444-4504

Mammograms

\$0-\$75 net-cost (depending on provider) after the Insurance Company Company pays the balance as a Florida mandated covered expense for a "screening mammogram" for women over the age of 35.(Speak to your agent for recommendation about lowest Net-Cost providers.) . If your state does not require the Insurance company to pay for mammograms, the Warranty plan will rebate up to \$100 to cover the cost of a "screening mammogram."

Child Wellcare Visits

Zero Net-Cost – The Insurance Company pays the entire cost of child wellcare visits and immunization according to Florida mandated schedule through age 16. For states where there are no mandated child well-care visits, the Warranty plan will rebate up to \$100 to cover the well-care visit if an immunization is received.

Emergency Room & Walk-In Clinics

National Medical Services will rebate up to \$100 towards any Emergency Room or Urgent care walk-in clinic charge, which is not covered by the member's regular insurance policy. Note, members should also submit a claim to their basic insurance policy for emergency room visits. This type of visit will be charged against the number of "eligible office visits" mentioned below.

Number of Eligible Visits

Each adult or teenage member is entitled to a maximum of 4 "full rebate" member visits per year. Children under 13 are entitled to 6 "full rebate" member visits per year in addition to their scheduled well-care visits. After the allotted "full rebate" visits, the next 4 visits will be paid at half the original rate.

Established Patient Office Visits (99211-99214)

\$ 15 Net Cost- National Medical Services warrants this type of in office visit to pay the portion of this type of visit in excess of \$15 to a maximum rebate of \$100 when not covered by the member's regular insurance policy.

New Patient Office Visits (99201-99204)

\$35 Net Cost- National Medical Services warrants this type of in office visit to pay the portion of this type of visit in excess of \$35 to a maximum rebate of \$125 when not covered by the member's regular insurance policy.

Consultations and Adult Well-Care Visits (99241-99245,99385-99397)

National Medical Services will warranty this type of visit in excess of \$15 to a maximum rebate of \$100 for any non-diagnostic visit (in office procedure or consultation) that does not fall under the terms of features under the "Established Patient or New Patient Office Visit" category when not covered by the regular insurance policy.

Pap Smears (88142,88150,88155)

National Medical Services will rebate the entire cost of a pap smear test up to \$85 that is not covered by the member's regular insurance policy.

Prostate Exams (85651)

National Medical Services will warranty the entire cost of a digital prostate test that is not covered by the member's regular insurance policy.

Basic Urinalysis (81000-81002)

National Medical Services will rebate the entire cost of a urinalysis test which is not covered by the member's regular insurance policy.

Pharmacy Features

National Medical Services will arrange for you to receive the "Together RX" card which will in most cases give you a discount of between 20 and 40 percent off the normal price of prescriptions .at most pharmacies.

Accident X-Rays

National Medical Services will warranty the cost of any X-Rays in excess of \$30 to diagnose an accident to a maximum rebate of \$100 when taken anywhere other than a Hospital Emergency Room, and not covered by the member's regular insurance policy.

MRI'S AND CAT-SCANS

National Medical Services will warranty the cost of one MRI or Cat-Scan per year Up to \$200 that is not covered by the member's regular's insurance policy. If you go to a facility recommended by your agent, you will be charged Medicare rates which will be a substantial savings!

Dental Services

National Medical Services will warranty the cost of one basic dental cleaning per year up to a maximum rebate of \$65, when not covered by the member's regular insurance policy. Dental visits will not be charged against the number of "eligible visits."

Blood Tests

National Medical Services will rebate up to \$75 per blood test up to 4 tests per personal yearly period that are not covered by the member's regular insurance policy. If available it is recommended that members should use the services of "Hayes Laboratory" (Palm Beach). Members who mention National Medical Services will get a 25% discount on their blood tests.

No Waiting Periods

There are no waiting periods to use the plan, but no rebate will paid unless the member's second monthly fee clears the bank. National Medical Services' rebates should generally be received within 14 days of request once the member's second monthly fee clears the bank.

The above privileges represent a warranty by National Medical Services to provide rebates for certain expenses not covered by the basic insurance. These features do not represent insurance.
